

Section 2.2 A-Zone Blind Reservation Allocation Procedures

In order to provide prospective waterfowl hunters with an opportunity to obtain a blind on a specific hunting day, five (5) reservation spaces are available for each hunting day except opening day. The procedures are as follows:

1. Reservation application forms may be obtained during the hunting season from the Rondeau Bay Waterfowl Unit Office located in the park or from our website. Applications may be dropped off at the RBWU Office or mailed.

2. Hunters should ensure that all information requested on the reservation application is completed. Incomplete applications will not be accepted.

3. Reservation applications must be received at the Rondeau Bay Waterfowl Unit Office no later than two (2) weeks prior to the requested hunt date. Applications received after this time will not be considered.

4. No money is to be remitted with the reservation application. Hunters whose reservations are confirmed will purchase the daily waterfowl hunting permit on the day of the hunt. After the draw has been made all "cancellations" and "no shows" will be charged \$15.00 which must be paid prior to hunting in A-Zone again.

5. All reservations received for a particular hunting day will be assigned a number and entered in a special lottery draw to determine the successful applications and their order of blind choice. Confirmation can be received by calling the Rondeau Waterfowl Unit Office (519.674.1775).

6. Hunters must report to the attendant on duty at the Rondeau Waterfowl Unit Office by 4:30 am on the day of the hunt in order to secure their reservation choice. Hunters will be considered "no show" and their reservation cancelled if they are not present at the time of blind allocation (4:30 am).

7. A confirmation reservation guarantees the applicant(s) a blind selection standing. It does not guarantee the reservation holder any particular blind. Please refer to Section 2.2 Daily Blind Allocation A-Zone Procedures (pages 3 thru 5) for an explanation on how blinds are allocated.

8. Any hunter with three (3) or more cancellations will be disqualified from any further reservation draws for the remainder of the season.
